

The Town of Winchester and Sustainable Winchester are offering a FREE Home Energy Savings Seminar!

FACT: Most Massachusetts homes could save 20% or more on their fuel use.

- Want to reduce your home energy costs?
- Looking for cheap, do-it-yourself solutions?
- Interested in energy savings financing options?

You'll learn about all this and more by attending a FREE Seminar: Home Energy Savings

Tuesday, April 28

6:45 PM Refreshments (courtesy of Whole Foods), 7:00-9:00 PM Seminar with an introduction by Cool Winchester
Winchester Room in Town Hall

Presenters will illustrate hands-on tips, indicate which actions are most cost effective, and provide free educational materials for everyone attending. Children welcome.
